

November 24, 2020

NOTICE TO ALL MEMBERS :

The front gate is currently being left open by the town of Hamilton to accommodate their contractors staging out of the landfill.

Therefore the padlock used for the front gate is being moved to the inner gate/chain. Please remember that come Wednesday November 25th you will then be using your front gate key to open the inner gate/chain. As always lock the inner gate behind you as you enter and leave Club grounds.
