There will be a Halloween 2-Gun Action Rifle/Pistol "Zombie Apocalypse" Shoot on Sunday October 27th at 9:30 a.m.

Sign up and Safety briefing at 9:00 and first shot at 9:30.

Shooters will try to stop the Zombie invasion against the clock, with a challenging course of fire with targets both near and far.

During the shoot, both the Pistol and Rifle Ranges will be closed for this event.

** Cost is \$5.00 per shooter.

Shooters will need a pistol in good working order, 3 magazines, strong side holster and mag pouch, any semi-auto rifle with 2 Magazines along with the standard safety equipment.

During the shoot we will break for lunch with Hot Dogs, Chili and drinks and then back to the Zombie Apocalypse. Hopefully the weather will be nice and I'll see you there.

Saturday Range Closure:

The Pistol and Rifle Ranges will be closed on Saturday October 26th at 3:00 p.m. for set-up of Sunday's event.

Anybody able to volunteer and join me to help set up for the shoot Saturday afternoon would be appreciated. Please contact me @ range-off@hwrclub.org
